Wow I can not believe that it is April already!!!! This month we have many fun activities planned and special guests who will be joining us. Your kids will not want to miss Thursdays with Sr. Paul. He is majoring in Spanish at MSU and is volunteering in order to teach us some Spanish and the Spanish culture. We will also be ending our month with a week of bugs, bees, and beetles, and special appearance by Carol and Sara Baumbauer. The kids will be observing bugs in their habitats, creating their own bugs, and will learn all about many different types of bugs!

February bills are due!!!! We will also be sending March's bills out by the 5th of April.

April 22nd is Longfellow's Carnival. CARES will be heading up the Go to Jail booth, where the students, family, and friends will be able to dress up in Western attire and have their picture taken of themselves behind bars.
