

Superintendent Job Vacancy - Bozeman

The Superintendent Position

The Bozeman Public Schools, Bozeman, Montana, is seeking a new superintendent of schools.

The current superintendent, Dr. Rob Watson, after providing seven years of exemplary leadership to the district, has indicated that he will resign at the end of this school year to accept a position as Superintendent of Schools for Missoula County Public Schools District.

The Board of Trustees is seeking an experienced candidate to serve this growing school district. The Board will conduct a national search with the assistance of the Montana School Boards Association.

The Board will offer a competitive, negotiable compensation package, and multi-year contract commensurate with professional preparation and years of experience.

The Bozeman Community

The City of Bozeman is located on the eastern slope of the Rocky Mountains in Southwestern Montana. The city is the county seat of Gallatin County and home to Montana State University. Montana State University is the largest employer in the county followed by Bozeman Deaconess Hospital and the Bozeman Public Schools. Gallatin County remains one of the fastest growing counties in the state. The natural beauty surrounding the city of Bozeman makes it a destination for: skiing, fly-fishing, whitewater sports, hunting, and other outdoor activities.

The Bozeman Public Schools

The Bozeman Public School system covers an area greater than the City of Bozeman. The school system includes two legal districts, Elementary District No. 7 and High School District No. 7. The elementary district encompasses approximately 275 square miles. The high school district is approximately 850 square miles containing eight elementary districts: Bozeman, Anderson, Cottonwood, Gallatin Gateway, LaMotte, Malmborg, Monforton, and Sedan. The Board of Trustees is comprised of eight representatives of the elementary and high school districts. For more information on our dynamic District, please visit the Bozeman Public Schools web page at www.bsd7.org

The District Opportunities/Challenges

It is anticipated the Board and Superintendent will need to address the following opportunities and challenges in the next 3-5 years:

- There is an opportunity to sustain the momentum of an exemplary School District with a thorough, collaborative, Long Range Strategic Plan developed by an engaged Board of Trustees, staff and community.
- Because of the District and community growth there is an opportunity for the District to be more globally competitive in curriculum offerings.
- There is an opportunity to lead a district with high expectations for students and staff.
- The district and community have a challenge to develop and organize a more comprehensive partnership in addressing the legislature regarding the need for adequate funding for education.
- The opportunity to continue the positive relationship among all staff members by leading a very collaborative, consensus-oriented staff culture.
- The challenge of creating continued community understanding and fiscal support for a rapidly growing school district.

The Leadership Profile

The Board of Trustees, with the assistance from the staff will develop the final leadership profile that candidates will need to address in their application materials. **Following is the current Superintendent Leadership Profile:**

- An energetic team builder who is empathetic, compassionate, optimistic and displays a strong sense of humor and integrity.
- Demonstrate superb communication skills. Must be a proactive, visible, accessible, articulate and inspirational leader who can effectively promote the District's Core Ideology at all levels of the community, organization and region.
- Be an effective, respectful listener who communicates directly with a broad range of community and District stakeholders and is an active participant in District and community activities.
- A leader who fosters trusting and professional relationships with the Board, staff and community.
- A strategic/visionary thinker who has successfully implemented a Long-Range Strategic Planning process with a focus on preparing students to excel in a rapidly changing world.
- An individual who has an understanding and experience with facility and resource planning in a growing district.
- A lifelong learner who possesses a passion for education that provides the best educational opportunities for all learners and models the importance of educating the whole child.
- Is able to select exceptionally well-qualified staff.
- A leader who will develop a thorough understanding of Montana's School funding formula, exhibits excellent fiscal and organizational skills, especially in articulating the District's resource needs to the community and state legislature.
- A person who understands and encourages the development and implementation of mutual expectations with the Board of Trustees.

A new superintendent leadership profile will be posted on this website after Board Approval.
