Topic:

Consider approval of proposed revisions to Policy 2314 - Learning Materials Review

Facts:

1. First reading of the proposed revisions occurred on October 10, 2022.

Discussion:

- 1. Upon regular review of policy, it was noted that this policy needs additional clarification regarding the submittal process so that a separate form is completed for each request for review and to specify that only one form for requesting reconsideration of instructional materials (2314F2) will be reviewed at a time.
- 2. A change in the committee selection process is also being proposed so that committee member selection is most appropriate to and representative for the material being reviewed.

Superintendent's Recommendation:

It is recommended that the Board of Trustees adopt the proposed revisions.

Other Alternatives:

1. Do not approve the recommendation and request alternative revisions.

Bozeman Public Schools R

INSTRUCTION

Policy 2314

Learning Materials Review

While the staff makes every effort to select high quality, appropriate learning materials that are satisfactory to the general public, objections occasionally may be raised. Learning materials, for the purposes of this policy, shall be considered to be any material used in classroom instruction, library materials, or any materials that a teacher might provide a student as part of the course of instruction.

When an objection does occur complainants will discuss their concerns with the appropriate school staff and supervising administrator prior to pursuing a formal complaint. Should a citizen wish to make a formal protest regarding specific material used in a school within the district, the form for requesting reconsideration of instructional materials must be used (2314F2). A separate form must be completed for each specific material that is being requested to be reviewed.

If a request to remove an item from the school or limit its accessibility is appealed beyond the building level, it will be acted upon by a Learning Materials Review Committee. The committee will be appointed by the Board of Trustees based on a recommendation from administration for a three-year term to be confirmed by Board action. Superintendent or designee as needed.

The Materials Review Committee will consist of one administrator who will chair the committee and who will be a voting member. It will also include one faculty member(s), at large, four community member(s), and three librarian(s) or classroom teacher(s), as appropriate. (or classroom teachers if the case involves classroom materials). One of the librarians or teachers will be from each level.

No committee member may serve on a review originating from an elementary (K-8) school at which he/she is employed or has a child. Staff members may participate in a review originating from either high school or Bridger Charter Academy, but the staff member must be from a department other than where the material is being used.

Where relevant as determined by the Superintendent or designee, the Superintendent or designee may appoint an alternate committee member.

In the event that the complainant fails to appear at a hearing in which they have previously committed to appear, the hearing will be adjourned and the complaint dismissed.

At least one spokesperson representing each side of the issue will be heard. All meetings including committee deliberations will be open to the public. A written decision will be delivered to the complainant within 10 school days following the last committee meeting. That decision will apply to all other schools of similar grade levels. If a committee decision is to remove a board-approved core instructional material, that recommendation must be heard by the Board of Trustees for final approval.

An appeal, from either side, must be delivered in writing to the superintendent within 10 school days. The Board will make the final decision on appeals.

Only one form for requesting reconsideration of instructional materials (2314F2) will be reviewed at a time.

Topic:

Consider approval of revisions to Policy 4315: Visitor and Spectator Conduct

Facts:

1. First reading of the proposed revisions occurred on October 10, 2022.

Discussion:

- 1. Superintendent is seeking revisions to the visitor and spectator policy that currently limits the superintendent's ability to restrict access to buildings/facilities beyond "temporary" which is undefined in the current policy.
- 2. The Superintendent currently has authorization in a related policy, #4335 Registered Sex or Violent Offenders, that allows the Superintendent authorization to modify restrictions after a full review of the situation. The requested policy change is in line with the authorization in #4335 that allows the Superintendent flexibility and authority to manage administratively the safety of school property as it relates to visitors.
- MTSBA and district private legal counsel agree that the Board is within its authority to amend the policy to
 authorize the Superintendent to make decisions regarding interpretation and application of policies governing
 visitor conduct.
- 4. As with any administrative decision related to policy, the decision would be subject to appeal through the uniform complaint procedure. This means an individual subject to a prohibition notice under the amended policy could appeal that decision to the board at Level 4 and secure a hearing to determine whether the decision was made consistent with policy.
- 5. This policy will appear on the October 24, 2022 Consent Agenda for final consideration and approval.

Superintendent's Recommendation:

It is recommended that the Board of Trustees adopt the proposed revisions.

Other Alternatives:

1. Do not approve the recommendation and request administration propose changes.

MOTION	SECOND	AYES	NAYS	ABSTAIN

Topic:

Consider Approval of Transportation Bus Route Changes

Facts:

- 1. Board and Transportation Committee approval is required for all bus routes, Individual Transportation Contracts, and out-of-district transportation agreements.
- 2. On July 11, 2022, the Board approved the initial 2022-23 home-to-school transportation routes.
- 3. According to our contract with First Student, bus routing is the responsibility of the contractor, subject to District approval. First Student reconfigures routes as needed to accommodate students entering and exiting the District...
- 4. The District pays First Student on a per-route basis.
- 5. Under Montana law, districts receive a per-mile reimbursement for distances traveled by home-to-school buses. Those reimbursements are funded 50% by a permissive countywide levy and 50% by the State of Montana. Transportation costs in excess of the reimbursement amounts are funded by local taxpayers.
- 6. First Student and the District continue to adjust routes for better efficiency and to accommodate student changes.
- 7. The proposed changes will result in a net increase of 36 route miles per day. The route changes are as follows:

	Original				Original		
	Approved	Updated			Approved	Updated	
	Daily	Dail y			Daily	Daily	
Route	Mileage	Mileage	Change	Route	Mileage	Mileage	Change
2	45	45	-	23	68	68	-

15	53	60	7	36	43	44	1
16	48	47	(1)	37	48	48	-
17	38	38	-	38	42	46	4
19	28	28	-	39	43	43	-

21	77	72	(5)	41	52	53	1
22	62	62	-	TOTALS	1,767	1,803	36

Fiscal Impact:

Home-to-school bus transportation is financed through the Transportation Funds. The District's costs will not change as a result of these updates because no routes are being added or removed—only route distances are being adjusted. The District's 2022-23 per-mile reimbursement from the County and State will increase by an estimated \$22,628 as a result of the mileage increase.

Discussion:

Gallatin County Transportation Committee approval is also required for all of these changes. Pending Board passage on October 24, we will seek this approval at the Committee's next meeting.

Superintendent's Recommendation:

It is recommended the Board approve the 2022-23 bus route changes as presented.

Other Alternatives:

1. Do not approve the recommendation and request administration propose changes.
